Honey love you, honey little
Honey funny sunny morning, love you
More funny love in the skyline baby
Ice cream excuse me
I seen you looking good the other evening

Oh you dig it
Had to smile just an hour or so
We in love like I think we be
It ain't a long rhyme
It took ages to think
I think I'll hurl it in the water, baby

Honey love you, honey little
Honey funny sunny morning, love you
More funny love in the skyline baby
Ice cream excuse me
I seen you looking good the other evening

Flaking you are
A nice little one to put it all around
It's just good I like it
Hey hey hey
S'ppose some time that day
Whoopee swing along over across to me

Honey love you, honey little
Honey funny sunny morning, love you
More funny love in the skyline baby
Ice cream excuse me
I seen you looking good the other evening

Good time rocker woman
We'll stray our pieces
Little creepy we shine so sleepy
So whoopee that's how you look

Honey love you, honey little
Honey funny sunny morning, love you
More funny love in the skyline baby
Ice cream excuse me
I seen you looking good the other evening
