Maisie, Maisie, Maisie, Maisie
Bad luck, bride of a bull
Strode out to meet Maisie in the evening light

Maisie, his illuminous grin put her in a spin
Maisie, lay in the hall
With diamonds and emeralds

Maisie, Maisie
Bad luck, the bride of a bull
Strode out to meet Maisie in the evening light
Maisie, his illuminous grin put her in a spin

Maisie lay in the hall with her emeralds
And diamond broach, beyond reproach

Bad luck, bride of a bull
Strode out to meet Maisie in the evening light
Maisie
