"No Good Trying"

It's no good trying to place your hand
Where I can't see because I understand
That you're different from me
Yes, I can tell that you can't be what you pretend

And you're rocking me backwards
And you're rocking towards
The red and yellow mane on a stallion horse

It's no good trying to hold your love
Where I can't see because I understand
That you're different from me

Yes, I can tell that you can't be what you pretend
The caterpillar hood won't cover the head
And you know you should be home in bed

It's no good holding a sequined fan
Where I can't see because I understand
That you're different from me
Yes, I can tell that you can't be what you pretend

Yes, you're spinning around and around in a car
With electric lights flashing very fast
