I really love you and I mean you  
The star above you, crystal blue  
Well, oh baby, my hair's on end about you  
I wouldn't see you and I love to  
I fly above you, yes I do  
Well, oh baby, my hair's on end about you

Floating, bumping, noses dodge a tooth, the fins  
aluminous  
Fangs all 'round, the clown is dark, below the boulders  
hiding all  
The sunlight's good for us  
'Cause we're the fishes and all we do  
The move about is all we do  
Well, oh baby, my hair's on end about you

Floating, bumping, noses dodge a tooth, the fins  
aluminous  
Fangs all 'round, the clown is dark, below the boulders  
hiding all  
The sunlight's good for us  
'Cause we're the fishes and all we do  
The move about is all we do  
Well, oh baby, my hair's on end about you

I really love you and I mean you  
The star above you, crystal blue  
Well, oh baby, my hair's on end about you
