Stained, glaucous, glycerine, gold,goat, clover
Gold, local stocks, type, food, wild, national, lake, flag,
Valve, gyroscope, sect
Heat, helium, lead, bare, state, invention, medieval
Refraction, faction, ultra-action,
Hunter, interest, bullet, market...

Loads, liquids, neon, heater, jaws, jungle
Mains, signal, knives, kitchen
Ingot, lovely, mirror, mold
Mycenaean, moat, poppy, rubber,
Radar, rags, sugar, teak
Silver, poke, tin, beetroot,
Carrott, ebony, fruit, copper, silk...

Carpet, distant, pigmy, hid, pack,
Timber, pudding, straw
Raindrops, spattering, ramps
Chameleon, prairie, pods, trigger
Museum, scales, square, ultra, out of map, vent
Volcano, vain, wreck, tactic
Tidal, arches, valley, hand
Inflect, impression, loom, last, molten
You gamma, meeting
Lighting, signal, island, coral-cold

Rooftop in a thunderstorm row missing the point

With yellow, red and roomy food, and quivered
Crouching on a golden cushion
Undressed himself to disappear
Through an infinity of pleasure
And smiled to free the running me
With "am I my brother's keeper? "
His meek hand on devils gloves
Shaping running blood.

The prohecy, to ricreate the truth
In visions of a seasonal mood
In truth, the only sight he saw
Lay hidden in the bathroom door
And spat on the rug

As high is high, so low is low
And that's the end of it. -
