Waving my arms in the air  
love, my love, got no care  
no care, no, no, pressing my feet to the ground  
stand up right where you stand  
call to you and what do you do  
laying back in a chair?  
she's so high on the air  
she's so high on the air  
half and half, half and half  
all you have to do to call  
is hold her her hand, stand a while  
and then smile and we'll understand  
yes we do - yes, yes we do!  
Oh waht a girl I've got too!  
Oh waht a girl I've got too!  
with her slinky look she held her tie to her hair  
(and I) could see everywhere  
no-one in the land, no-one  
no-one in the land, no-one  
but it rains on saturday - cats and dogs in the way  
stormy day, hey, hey  
and you shouldn't try to be  
what you can't be  
and you shouldn't try to be  
what you can't be  
call to you and what do you do  
There will be shoulders pressing in the hall  
and I won't know if you're here at all  
there will be wine and drinking in the yard  
there won't be anybody very hard  
there will be lots of things that we can do  
and all and more will be for you  
everything I knew I tried with you  
but everything to you was never easy  
so I went ahead around my world  
I saw the things you do arriving by your side  
to see you looking too  
but I know this. I know, I never lied to you  
it's been just like you're gone  
for just one day for so long!  
It's been so hard to bear with you not there

but thought I think of you, the things you do  
when I'm with you, to be with you,  
to be alone...can only think:  
"Why I am here? What's meant to be?"
