Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen

Only last summer  
It's not so long ago  
Just last summer  
Now, musk winds blow

Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen

Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen

Chalk underfoot  
Life I should prove  
Dancing in heat  
Our love and you

Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen
