I just want you close
Where you can stay forever
You can be sure that it will only get better

You and me together
Through the days and nights
I don't worry cause everything's gonna be all right
People keep talkin'
They can say what they like
But all I know is everything's gonna be alright

No one no one no one can get in the way of what I'm
feeling
No one no one no one can get in the way of what I feel
for you
You, you
Can get in the way of what I feel for you

When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain

You and me together
Through the days and nights
I don't worry cause everything's gonna be all right
People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one no one no one can get in the way of what I'm
feeling
No one no one no one can get in the way of what I feel
for you
You, you
Can get in the way of what I feel

I know some people search the world
To find something like what we have
I know people will try, try to divide something so real
So till the end of time I'm telling you there is no one

No one no one no one can get in the way of what I'm feeling
No one no one no one can get in the way of what I feel for you

Oh oh oh oh oh
