"A Marshmallow World"

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play, it's a whipped cream day
I wait for it the whole year 'round

Those are marshmallow clouds bein' friendly
In the arms of the evergreen trees
And the sun is red like a pumpkin head
It's shinin' so your nose won't free-eeze

The world is your snowball, see how it grows
That's how it goes whenever it snows
The world is your snowball just for a song
Get out and roll it along

It's a yum yummy world made for sweethearts
Take a walk with your favourite girl
It's a sugar date, what if Spring is late?
In winter it's a marshmallow world

It's the time for play
It's a whipped cream day

The world is your snowball, see how it grows
That's how it goes whenever it snows
The world is your snowball just for song
Get up and roll it along - along

It's a yum yummy world made for sweethearts
Take a walk with your favourite girl
It's a sugar date, what if Spring is late
In winter, it's a marshmallow world
