Now that I'm a man
I understand
I need someone to share
This wonderland
Together

A woman and a man should
Find romance
So come on
Take my hand
We'll learn to dance
Together

Living in dreams
Making them real
Know how it feels when they say

Now that I'm a man
I...I understand
A woman needs a man
To share this land
Together

Living in dreams
Making them real
Know how it feels when they say
Yesterday...shadows on my mind
Yesterday...love so hard to find
Now today...giving me the sign
Telling me
Just what you need

Living in dreams
Making them real
Know how it feels when they say
Yesterday...shadows on my mind
Yesterday...love so hard to find
Now today...you're giving me the sign
Oh you're telling me
Just what you need
