{Feel take one}

You feel me
Away far too empty, oh so alone
I want to go home
Oh find me inside of a nocturne, the blonde
How I love you to be by my side
They wail the crowd on her side
She straggled the bridge by the water

She misses her crawl far ley grew
Heady aside in a dell
Inside an eye be the lonely one, my bride
How I leave on the waddling wheel they fail
A gasp shringing, a bad bell's ringing
The angel, the daughter

You feel me
Away far too empty, oh so alone
I want to come home
Oh find me inside of a nocturne, the blonde
How I love you to be by my side
They wail the crowd on her side
She straggled the bridge by the water

{Last one was diamond actually alright}
