Visit "[No Good Trying](#)" on [MotoLyrics.com](https://MotoLyrics.com)

It's no good trying to place your hand  
Where I can't see because I understand  
That you're different from me  
Yes, I can tell that you can't be what you pretend

And you're rocking me backwards  
And you're rocking towards  
The red and yellow mane on a stallion horse

It's no good trying to hold your love  
Where I can't see because I understand  
That you're different from me

Yes, I can tell that you can't be what you pretend  
The caterpillar hood won't cover the head  
And you know you should be home in bed

It's no good holding a sequined fan  
Where I can't see because I understand  
That you're different from me  
Yes, I can tell that you can't be what you pretend

Yes, you're spinning around and around in a car  
With electric lights flashing very fast
