Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen

Only last summer
It's not so long ago
Just last summer
Now, musk winds blow

Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen

Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen

Chalk underfoot
Life I should prove
Dancing in heat
Our love and you

Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen
