Oh, where are you now
Pussy willow that smiled on this leaf?
When I was alone
You promised the stone from your heart

My head kissed the ground
I was half the way down, treading the sand
Please, please lift a hand

I'm only a person whose armbands beat
On his hands, hang tall
Won't you miss me?
Wouldn't you miss me at all?

The poppy birds way
Swing twigs coffee brands around
Brandish her wand with a feathery tongue

My head kissed the ground
I was half the way down, treading the sand
Please, please please lift the hand

I'm only a person with Eskimo chain
I tattooed my brain all the way
Don't you miss me?
Wouldn't you miss me at all?

Oh, where are you now
Pussy willow that smiled on this leaf?
When I was alone
You promised the stone from your heart

My head kissed the ground
I was half the way down, treading the sand
Please, please lift a hand

I'm only a person whose armbands beat
On his hands, hang tall
Won't you miss me?
Wouldn't you miss me at all?
