(feat. Freeway)

We Was Just Walking, just Smiling And Talking

Then Add To My Surprise, Got Lost In Your Eyes

This Time They Were Different, And I Found What It
Meant

After I Leaned In, I Helplessly Fell In

Help Me I've Fallen In Love, And Now I Can't Get Up

Somewhere Between Your Lips, Is Where I Think My
Heart Slipped

I Tried To Catch Myself, Not Even I Could Have Helped
Myself From

Falling

I Think That I'm In Love

In Love And I Can't See, what's Happening To Me

You Blinded My Thoughts, From What Pain And Tears
Taught

See My Hearts Been Broken Before, it Don't Trust Love
Anymore

One Kiss From You, I Just Let Myself Fall Right Through

Got Me Hypnotized With Your Magic Spell, I Got
Butterflies Can't

Control Myself

Close My Eyes At Night And I Dream Of You, It's True,
Don't Know

What To Do

Don't Stop Now

Since I Let You In

You Showed Me How

You Showed Me How To Love Again,

I've Fallen Please Help Me

Got Me Hypnotized With Your Magic Spell, I Think That
I'm In Love

Close My Eyes At Night And I Dream Of You, I Think
That I'm In Love

It's True, don't Know What To Do, don't Stop Now, I Can't
Get Up

It's True, Don't Know What To Do, Don't Stop Now, I
Think That I'm In

Love, in Love
