So the day has finally come
With my past I've drawn the sum
And I'm glad I'm moving on
I'm lost in un-returning time
Let the winter chill my prime
But I'm done, I'm moving on

Looking back can help you through
But I wonder if that's true
I don't wanna have to take it
Or maybe sorrow is my gain
And I'm learning from the pain
But I'm ready to move on

Cause the moment's high
My tears have dried
I feel
Show myself in flame and steel
Cause the moment's nigh
And I'm out to try
This is real
I clad myself in flame and steel

Yeah, you'll be invited
If you're willing to show your hand
Love is required
Yeah yeah, you'll be invited
If you're willing to show your hand
Love is required

I'm lost in un-returning time
Let the winter chill my prime
But I'm done, I'm moving on
And maybe sorrow is my gain
And I'm learning from the pain
But I'm ready to move on

Cause the moment's high
And my tears have dried
And I feel
Show myself in flame and steel

Cause the moment's nigh
And I'm out to try
This is real
I clad myself in flame and steel

Yeah, you'll be invited
If you're willing to show your hand
Love is requited
Yeah yeah, you'll be invited
If you're willing to show your hand
Love is requited
