Waken the morning  
And we're up and gone  
Before the dawn  
Telephone, traffic lights  
Work all day, work all night  
We were too young to let life pass us by  
Let's run away tonight

Chorus:  
And make sweet love under the stars  
Dancin' to a heart beat  
Alone in the dark  
Fall asleep in each other's arms  
And just dream  
Baby run away with me

Remember when we used to say  
We'd never rush, now look at us  
We're running down a dream  
We swore we'd never chase  
What a waste of time  
We could be spending together  
Cause we'd be doing something better

Chorus:  
Like making sweet love under the stars  
Dancing to a heart beat  
Alone in the dark  
Fall asleep in each other's arms  
And just dream  
Baby run away with me

Run away  
Run away  
Run away  
Run away  
Run away with me

Chorus:  
Making sweet love under the stars  
Dancing to a heart beat

Alone in the dark  
Fall asleep in each other's arms  
And just dream  
Baby run away with

Making sweet love under the stars  
Dancing to a heart beat  
Alone in the dark  
Fall asleep in each other's arms  
And just dream  
Baby run away with me

Run away with me  
Run away with me
