I got your number
Written on the palm of my hand
I gave you my number
When we were just kids
My heart starts racing
When I hear the dial tone
I never dreamed
You'd be waiting by the phone
When you answered, it felt so right
We talked all night

Chorus:
Now it's
Bingo, bulls-eye
Dead on the very first try
Now your the right girl
And I'm the right guy
Bingo, bulls-eye

Everywhere we go
We're together now
There's talk
We're talking 'bout forever now
What are the chances
What are the odds
We knew it was right
Right from the start
Only heaven knows
How the story's gonna end
But every now and then

Chorus:
Bingo, bulls-eye
Dead on the very first try
When you're the right girl
And I'm the right guy
Bingo, bulls-eye

Who'd have ever dreamed it
Who'd have ever thought it
Love's a shooting star

And we caught it

Chorus:

Bingo, bulls-eye
Dead on the very first try
When you're the right girl
And I'm the right guy
Bingo, bulls-eye

Bingo, bulls-eye
Dead on the very first try
When you're the right girl
And I'm the right guy
Bingo, bulls-eye

The right girl
The right guy
Bingo, bulls-eye
