The rumble of the engines
In the station almost put me to sleep
And the wino covered up with yesterday's news
Is lying next to me
I see a red-haired girl with pony tails
Reminding me of you
I don't know why I left
It was something I had to do

Looking out the window
As the sky line fades away
When I see your face I have no idea
What I'm gonna say
I've got a picture of me holding you
Right here in my hands
I recognize my face
But I don't know who I am

Chorus:
Now I'm
Gonna catch a Greyhound
Getting out of this town
I'm
Gonna catch a greyhound
Back to you

I close my eyes
But I can't seem to sleep
Cause the past rolls through my mind
Like a river cold and deep
Morning comes and the sky begins to rain
It feels good to feel something
Even if it's pain

Chorus:
Now I'm
Gonna catch a greyhound
Getting out of this town
I'm
Gonna catch a greyhound
Back to you

Now it's amazing how a tender voice
On the other end of the phone
Can change your mind, your life, your plans
Just by saying
Daddy please come home

Chorus:
Gonna catch a greyhound
Getting back to this town
I'm
Gonna catch a greyhound
Back to you

Yes, I'm gonna catch a greyhound
Getting back to this town
I'm
Gonna catch a greyhound
Back to us

I'm starting my life over
On a Greyhound Bus
