All day long at the factory
I can't do my job
It's not at all like me
Counting minutes on the clock
I walk around, my guard down
Like a love sick fool
All because of mystical, sweet little kissable
Irresistible you

Chorus:

I've lost all my self control
I'm like someone I don't know
But one taste of your sweet lips
And I just can't help myself
Girl you got me, where you want me
I'm where I wanna be too
All because of mystical, sweet little kissable
Irresistible you

I vowed I'd never take another chance
With this heart of mine
I'd have no part of romance
After being burned last time
Now here I am, my guard down
Like I swore I wouldn't do
All because of mystical sweet little kissable
Irresistible you

Chorus:

I've lost all my self control
I'm like someone I don't know
For one taste of your sweet lips
And I just can't help myself
Girl you got me, where you want me
I'm where I wanna be too
All because of mystical sweet little kissable
Irresistible you

I've lost all my self control
I'm like someone I don't know
Now one taste of your sweet lips

And I just can't help myself
Girl you got me, where you want me
I'm where I wanna be too
All because of mystical sweet little kissable
Irresistible you

All because of mystical sweet little kissable
Irresistible you
