All around I hear the sound of money  
But I ain't got a nickel to my name  
And everywhere I look I see temptation  
She stands on every corner and calls my name

Chorus:

Now won't you tell me if you can  
Cause life's so hard to understand  
Why's the rich man busy dancing  
While the poor man pays the band  
Oh, they're billing me  
For killing me  
Please lord have mercy on the working man

Uncle Sam's got his hands in my pockets  
And he helps himself each time  
He needs a dime  
Them politicians treat me like a mushroom  
Cause they fed me bull  
And keep me in the blind

Chorus:

So won't you tell me if you can  
Cause life's so hard to understand  
Why's the rich man busy dancing  
While the poor man pays the band  
Oh, they're billing me  
For killing me  
Yeah, lord have mercy on the working man

Hey Saint Peter look down for a minute  
And see this little man  
About to drown  
There's quick sand all around  
And man I'm in it  
Please help me up Lord  
Cause I'm going down

Chorus:

Now won't you tell me if you can  
Cause life's so hard to understand

Why's the rich man busy dancing  
While the poor man pays the band  
Oh, they're billing me  
For killing me  
Please lord have mercy on the working man

Yeah, now won't you tell me if you can  
Cause life's so hard to understand  
Why's the fat man busy dancing  
While the thin man pays the band  
Oh, they're billing me  
For killing me  
Please lord have mercy on the working man

Please lord have mercy on the working man  
Please lord have mercy, on the working...man  
Oh yeah, yeah
