Swimming in my pool in this hot summer sun
Waiting for my baby, lord here she comes
With her sexy belly showing
And her brand new sexy bikini
I make a little room, and she comes on in
I'll pucker up my lips, we'll kiss a little bit
You just look at her face, she's really hot for me

Chorus:

She thinks my body's sexy
It really makes her hot
She's always staring at me
While I'm washing my car
She loves the way I'm getting soaked
While taking off my shirt
She's even really crazy 'bout my teenage tan
Cause she's the only one who really understands what I
love
She thinks my body's sexy

We swim back and forth until the day grows dark
Carry her in my house, we make love all night
We climb up on the bed, we sit and kiss with the radio
on
She says she's gotta dream and I ask what it is
She's wants a little child, and a whole lot of love
I'll give her one more good swee kiss
Before I drive her home

Chorus:

She thinks my bodys' sexy
It really turns her on
She's always staring at me
While I'm jogging along
She loves the way I'm pumping
While we're making some sweet love
She's even really crazy 'bout my sexy eyes
And she's the only one who really understands
What I love
She thinks my body's sexy

Well she ain't into girls or other guys
But when I'm sucking her tits
Man those eyes light up

Chorus:

She thinks my body
She thinks my body's sexy
It really makes her HOT
She's always stroking my balls
While I'm sucking her tits
She loves the way I'm pumping
While we're making some sweet love
She's even really crazy 'bout my sexy smile
She's the only one who really understands what I love
She thinks my body's sexy
She thinks my body's sexy
Sht thinks my body's sexy
Yeah
(OH COME ON BABY MAKE LOVE WITH ME)
