There goes another one falling into line, falling for the
overdose of the twisted mind.
Looking for excuses of the simple kind. No gratitude or
knowledge, now it's thinking time.

A heart attack in Paris, when I heard the news
A heart attack in Paris, I know who's gunna lose
A heart attack in Paris, the treatment is for fools
A heart attack in Paris, a rich man lit the fuse

As I stand for conviction to use it for you now. The
secret of salvation is tomorrow's mine.
So tell it to your father, tell it to your kids. It was
persecution of a thousand years

A heart attack in Paris, when I heard the news
A heart attack in Paris, I know who's gunna lose
A heart attack in Paris, the treatment is for fools
A heart attack in Paris, the rich man lit the fuse
A heart attack in Paris, I'm killing in Saigon while the
west still come.

There goes another one falling into line, falling for the
overdose of the twisted mind.
Looking for excuses of the simple kind. No gratitude or
knowledge, now it's thinking time.
A heart attack in Paris, when I heard the news
A heart attack in Paris, I know who's gunna lose
A heart attack in Paris, the treatment is for fools
A heart attack in Paris, a rich man lit the fuse
A heart attack in Paris, when I heard the news
A heart attack in Paris, I know who's gunna lose
A heart attack in Paris, this treatment is for fools
A heart attack in Paris, a rich man lit the fuse

I heard it in Vietnam, I heard it from the Vietcong, I
heard it in Saigon, I heard it in the news.
It is for fools.
