I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy
I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy.

Two men can seal my fate, and you, you just see them straight

No flaws, no falses, so secure, how can you be so sure?

I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy
How do you sleep at nights, you must be so sure that I'm the one who speaks no truth, how can you be so sure?

I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy.

Do it, do it, do it, do it, do it to me,

I have no faith in your liberty,
can you see by the way I dress,
I'm not your level, I am less.

I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy
I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy
