Mr. Position sitting on your perch  
Looking at the numbers, thinking what we're worth

You're price is your conscience when though it allowed  
So put your finger infidel  
We're only good when we're down

What can we say what suspense?  
From the wings of democracy they say is right  
So we can go forth with hand in hand  
listen to our betters make dead a man  
but don't forget where you've come from  
Down at the bottom where you belong

Would it do any good if I voted for a leech?  
Maybe the leech would practice what he preached

They don't give a fuck  
They don't give a toss  
Your vote for a pig, it wont be no loss

Mr. Position sitting on your perch  
Looking at the numbers, thinking what we're worth

You're price is your conscience when though it allowed  
So put your finger infidel  
We're only good when we're down

Mr. Politician  
Mr. Politician  
Mr. Politician  
Practice what you preach
