I just cant take much more of this oppression
I'm going out of my head and its getting that
impression
I'm gunna go out for a walk
I'm gunna sit down and have talk
There asking me how, and they're asking me why, have
you ever seen grown men cry?

police police police oppression, police police police
oppression

really find it hard even walking round the streets
hey i know u son ill knock u off ur feet
same number a million times before,
shut ur mouth son or ill knock u on the floor

police police police oppression, police police police
oppression

I just cant take much more of this oppression
I'm going out of my head and its getting that
impression
I'm gunna go out for a walk
I'm gunna sit down and have talk
There asking me how, and they're asking me why, have
you ever seen grown men cry?

police police oppression police police oppression

Lying in the cells is really no fun
Cutting the bricks learning some tricks
Ask me no questions and I'll tell you no lies
Is being different really a crime?

police police police oppression
police police police oppression
police police police police police
