Who killed Liddle?  
Did you kill Liddle?  
Who killed Liddle?  
Police killed Liddle Towers

Who killed Liddle?  
Did you kill Liddle?  
Who killed Liddle?  
Did you kill Liddle Towers?  
Who killed Liddle?  
Did you kill Liddle?  
Who killed Liddle?  
Police killed Liddle Towers

Why did he die, or did they lie?  
I think he's dead, so a doctor said  
He was beaten black, He was beaten blue  
But don't be alarmed, it was the right thing to do  
The police have the power, Police have the right  
To kill a man to take away his life  
Drunk and disorderly was his crime  
I think at worst he should be doing time  
But he's dead  
He was drunk and disorderly and now he's dead

Questions are unanswered  
Policeman scared to talk  
Perhaps they are hiding something  
Will my message get across  
Please tell me why, why did he die  
Please tell me now, and tell me how

Police have the answers  
But they haven't got the right, to kill a man  
To take away his life  
Perhaps I'm not to clever, perhaps I'm not to bright  
But I think your verdict was just a lie, a lie, a lie

Murder, murder, murder, murder...  
MURDER

Who killed Liddle?

Did you kill Liddle?  
Who killed Liddle?  
Police killed Liddle Towers  
Who killed Liddle?  
Did you kill Liddle?  
Who killed Liddle?  
Police killed Liddle Towers
