I don't know what you've been told, baby  
But, there's definitely something wrong with you  
This shit is getting kinda old baby  
Staying out all night and acting like a fool

You don't come home at night  
All we do is fuss and fight  
Still, hangin' with the boys  
When I'm the only one employed

Can't buy me diamond rings  
Can't buy a damn thing  
Pager beeping 911  
I thought I was the only one

Ain't no love, ain't no joy  
Ain't no times left to enjoy  
Ain't no love, even no lust  
Ain't no kindness baby, ain't no trust

Lately, you been kinda bold, darlin'  
Getting pages and calls all night through  
I guess it's time for me to fold darlin'  
'Cause there's nothing left to hold on to

Ain't no love

Ain't no love, ain't no joy  
Ain't no times left to enjoy  
Ain't no love, even no lust  
Ain't no kindness, baby, ain't no trust

Ain't no love, ain't no joy  
Ain't no times left to enjoy  
Ain't no love, ain't no lust  
Ain't no kindness, ain't no trust

Ain't no love, ain't no joy  
Ain't no times left to enjoy  
Ain't no love, even no lust  
Ain't no kindness, ain't no trust

Ain't no love, ain't no joy  
Ain't no times left to enjoy  
Ain't no love, even no lust  
Ain't no kindness baby, ain't no trust

Hey, hey, yeah-e-yeah  
Yeah-e-yeah

Through all the pain that you caused me  
I was there, I was there  
Through all the times, that you didn't see  
I was there, I was there

Through all the gambling debts you had  
I was there, I was there  
Now I'm gone and it's too bad  
I was there, I was there

Through all the pain that you caused me  
I was there, I was there  
Through all the times, that you didn't see  
I was there, I was there

Through all the gambling debts you had  
I was there, I was there  
Now I'm gone and it's too bad  
I was there, I was there

Through all the pain that you caused me  
I was there, I was there
