Chorus:

Me and you
Gotta good thing going on
Like a classic love song, yeah (yeah yeah yeah)
All the time's we'd never thought we'd last this long
We're still going on strong
Like a classic love song

It's never a day that I don't think about your smiling
face
(Think about your smiling face)
And it's never a day that I don't think about the things
you say (ooh, ooh)
Cause all I know is I love you so (ooh)
And I just hope that our love will grow (ooh, ooh)
Inseparable, til we get old
Keepin on
Like a song on the radio

Chorus

And there's never a time
That you don't supply the things I need
(Supply the things I need)
And there's never a time
That I don't appreciate your love for me
Cause boy you are
A superstar
Near or far
You've got my heart
You play the part
Painting a love song
Right from the start....

(Chorus)

Jermaine Dupri's Rap
(Chorus)

And I do love you too-- like a classic love song
And I do love you too-- like a classic love song
And I do love you too-- like a classic love song

And I do love you too-- like a classic love song
