Me and you gotta good thing goin' on
Like a classic love song, yeah, see
(Yeah, yeah, yeah)
Through all the times we never thought we'd last this
long
We still goin' on strong like a classic love song

There's never a day that
I don't think about your smiling face
(Think about your smiling face)
And there's never a day that
I don't think about the things you say

'Cuz all I know is I love you so
And I just hope that this love will grow
Inseparable till we get old
Keepin' on like the song on the radio

Me and you gotta good thing goin' on
Like a classic love song, yeah, see
(Yeah, yeah, yeah)
Through all the times we never thought we'd last this
long
We still goin' on strong like a classic love song

And there's never a time where you don't
Supply the things I need
(Supply all the things I need)
And there's never a time that
I don't appreciate your love for me

'Cuz boy you are, my superstar
And near or far you got my heart
You play the part, like it's an art
Venting our love song right from the start

Me and you gotta good thing goin' on
Like a classic love song, yeah, see
(Yeah, yeah, yeah)
Through all the times we never thought we'd last this
long
We still goin' on strong like a classic love song

Through our ups and downs, you still stuck around
Even though ya friends say I'm the biggest pimp in
town
'Cuz they don't think we supposed to be together, they
don't think it fit
They don't know my love for you is forever, they don't
know shit

They just be talkin' crazy, just to be talkin' baby
I'm Jojo and KC, you forever my lady
His and hers Mercedes, God bless Joe and Katie
This relationship is classic like the music from the 80s
What we got

Me and you gotta good thing goin' on
Like a classic love song, yeah, see
(Yeah, yeah, yeah)
Through all the times we never thought we'd last this
long
We still goin' on strong like a classic love song

And I do love you too
Like a classic love song
And I do love you too
Like a classic love song

And I do love you too
Like a classic love song
And I do love you too
Like a classic love song
