It's crazy how the time goes by  
And you faithfully everyday been by my side  
Even through our hardest times  
When I wouldn't talk to you or try to see your point of  
view

So I'm writing you to let you know, that your patience  
And your graciousness gave me strength to help me  
grow  
And I appreciate the things that you've done  
Because your love has taught me how to be a better  
woman in you

You, oh you, have always been down for me  
Even provided for me  
I, oh I don't know what I'd do without you  
'Cuz I can't be without you

And I'm sorry I turned my back on you  
And holding you responsible for me not loving you  
And I know I was wrong to feel that way  
But you, where the closest one to me to blame

So I'm writing you to let you know  
That I was the only one responsible for my pain and my  
worries  
At times when I feel worthless  
You still listen to my burdens and I'm so grateful

You, oh you, have always been down for me  
Even provided for me  
I, oh I don't know what I'd do without you  
'Cuz I can't be without you

I'm writing to tell you, can't be without you  
Oh please none above you, can't be without you  
I really do love you, can't be without you  
I appreciate you and all that you do

You, oh you, have always been down for me  
Even provided for me  
I, oh I don't know what I'd do without you

'Cuz I can't be without you

You, oh you, have always been down for me  
Even provided for me  
I, oh I don't know what I'd do without you  
'Cuz I can't be without you
