I wanna talk to all you girls
That think you got that kind of man
That when you ask him where he's going, he turns
around
and tells you where he's been
Let me tell you girls, you think you got a superman
But he's loving another woman on one hand, and on
the other
he's telling you 'she's just a friend'

And it's a half a love
Oh, I need all the love
Cus it just won't do
And it's a half a love
Oh, I need all of your love
Cus one lovin it takes two, it takes me, and it takes you

This I wanna say to you baby
It's been a time
The way you've been cheating with those girls
It's making me lose my mind
I wanna tell you how it feels boy
You're the one I'm thinking of
But two girls is too many, and three's a crowd
I gotta have all your love

Cus it's a half a love
Oh, I need all of your love
Cus it just won't do
Cus it's a half a love
Oh, baby I need all of your love
Cus one lovin it takes two, it takes me, and it takes you
