Ooooooooooh  
Ahhhhhhh's

*[Verse 1]*

It's winter  
I last saw you in May  
That was the month we  
Went our separate ways  
And every moment since that day  
There have been things that I been wanting to say

*[B-Section]*

(Like I) Didn't mean to say those things  
(And I) Didn't mean to cause you pain  
(Just wanted to make you happy)  
And I still wanna do that

*[Chorus]*

And if you really  
Wanna know  
My arms... are still open  
No matter where we are  
And no matter where we go  
My arms (For you)  
Are still open

*[Verse 2]*

I'm dreaming  
Of a perfect day

We are together  
Can you see us together  
And I'm hoping  
You might feel the same way  
Hope we can start new  
Cause I used to love you

*[Chorus]*

And I miss you  
I need you  
I'm so hopeless

Here without you  
Wanna see you  
Wanna touch you  
Wanna show you  
How much I love you  
I understand you  
I will swear to you  
Here's a girl who  
Is there for you  
All this love I have inside...  
Is waiting for you, oh

Oh, these arms there still open.....

*[Chorus with Adlibs]*

Ohh  
Ahh

These arms are still open.... to you
