Well I ain't got no cards to flash outta my hand
It's all going with him, he's a winning man.
I came here back when I was young and fast,
With that sweet hearted woman,
They said it wouldn't last.

But my time has come.
I've bet and lost,
But on her, I've won.

I've spent many nights my head bowed down low,
If chance ain't going my way,
There's nothing I don't owe.
I've gained riches mighty in one single spin,
But the laughter of fortune would take it all again.

My time has come.
I've bet and lost,
But on her, I've won

What do you say when it's all been done?
Love'll come and get you off the run.
And how do you know what you've got is what you
want?
The only thing you'd wish for is another dawn.

My time has come.
I've bet and lost,
But on her, I've won
My life has come.
I've bet and lost,
But on her, I've won, I've won,
I've won
