"Here To Hold"

For a moment I have what I want but he doesn't want
me

For a moment I have in my arms, my love sleeping
sweetly

How do you let it go when you've seen a dream unfold?
How can I let him go when he's still here to hold?

I know that I've been here before, and I know I will be ok
But I can't seem to see tomorrow, he's been the light of
my days

How do you let it go when you've seen a dream unfold?
How can I let him go when he's still here to hold?

And I want so much to be loved
And I know that will come to me
It seems there's always more to let go of
But how empty can my heart be?

For a moment I have what I want but he doesn't want
me
For a moment I have in my arms, my love sleeping
sweetly
