Lazy day, I'll run away
There's a circus with my name
On its side, and there I'll hide
A lazy day for a runaway

Sun shine bright, no one to fight
There's a shadow in my light
But I see you, through the haze
A lazy day for a runaway

It might be fall, might be spring
I ain't no queen and you ain't no king
But hold me tight and take my hand
And kiss my lips cause you are my man

I'm a loon and a baboon
And a cartoon crying boo-hoo
I'm a circle and I'm a square
And I don't fit in anywhere

Lazy day, I'll run away
There's a circus with my name
On its side, and there I'll hide
A lazy day for a runaway

The truckers fly, the cars pass by
But I ain't standing by the side
Of the road, cause I got a home
And here I'll stay on a lazy day
Yeah, here I'll stay on a lazy day
Here I'll stay
