You're just too marvelous, too marvelous for words

Like glorious, glamorous and that old standby amorous

It's all too wonderful, I'll never find the words that
say enough, tell enough

I mean they just aren't swell enough

You're much too much and just too very, very

To ever be in Webster's dictionary

And so I'm borrowing a love song from the birds

To tell you that you're marvelous, tell you you're too
marvelous

To tell you you're too marvelous for words

You're much too much and just too very, very

To ever be in Webster's dictionary

And so I'm borrowing a love song from the birds

To tell you that you're marvelous, tell you you're too
marvelous

To tell you you're too marvelous for words
