I close my eyes
I don't want to see no more
Because your not in my theater, there's no open door,
And you won't let me in and I can not see in
Because if only you were happy
What was I thinking
OOOOOooo.... OOOOOOOO.....

****Chorus****

****I had so much of you, I couldn't dream last night
I feel the touch of you, even though you're not by my
side
Can't get enough of you, because you made the
darkness light
After All this time
You still possess my mind****

After All this time, I still want you in..... my life

ooooooooo.... oooooo....ooooo.. yahhh.. ooo

I had so much (Stay with me)
I had so much (I want you baby)
I had so much (Stay with me)
I had so much (I need you baby)
I had so much (Stay with me)
I had you so much..(I want you baby)

*****Chorus*****

After all this time, you still feel so right
After all this time, I still want you in...my life

And...oooooooo ...oooooooo...

In my life, feel so right
In my life...ooo in my life.. in my life...in my life
Still want you in, my life (in my life.. in my life..in my
life.. in my life)

I had so much, couldn't dream last night
Wanna Feel your touch
Even though your not by my side

I had so much.. whoaa.
Couldn't dream last night
Feel your touch
Even though your not by my side
OH Yeah!
