There's a new star in my sky
I only know you for a while
But my heart seems to surrender to your love
I'm a victim of your smile

Forever in love, you and I
Forever in love we both know why
As the days come and go
There's just one thing I know
We have to give it a try

Cupid's arrow struck my heart
But I don't feel any pain
In the end there's nothing to win or nothing to lose
In this foolish lover's game

Forever in love, you and I
Forever in love we both know why
As the days come and go
There's just one thing I know
We have to give it a try

Forever in love, you and I
Forever in love we both know why
As the days come and go
There's just one thing I know
We have to give it a try

Forever in love, you and I
Forever in love we both know why
As the days come and go
There's just one thing I know
We have to give it a try
