I still regret  
I turned my back on you  
No one makes me feel the way you do  
Never meant to cause you trouble  
Never meant to do you harm  
I was weakened by temptation's wing of charm

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend  
I want to be forgiven

Almost drowning in the sea of sin  
Can you ease the pain I feel within  
Never meant to cause you trouble  
Never meant to do you harm  
I was weakened by temptation's wing of charm

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend  
I want to be forgiven

Never meant to cause you trouble  
Never meant to do you harm  
I was weakened by temptation's wing of charm

Never meant to cause you trouble  
Never meant to do you harm  
I was weakened by temptation's wing of charm

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend

I want to be forgiven  
I want to hold you in my arms again  
To be forgiven  
'Cause I still need a friend  
I want to be forgiven
