

Sylver "Little Things"

Visit "[Little Things](#)" on MotoLyrics.com

In an ocean of feelings
I don't know what to do
Although I am
The one who left
I just keep thinking of you

It makes me want to cry
To know how I treated you
I'm so sorry
For what I did
I'll never find another love like you

Chorus
Little things you did
The sweet things you said
You made me feel so special
I just can't forget
The little things you did
The sweet things you said
You made me feel so special
I just can't forget
