As you look in his eyes  
The shame looks with you  
Like a stain on your soul  
Whatever you do

And he tries to deny  
The doubt in his mind  
To keep you by his side  
He'd rather be blind

Tell me all of you dreams  
Your hopes and your fears  
Let me walk through your mind  
And dry all your tears

Chorus  
So afraid of yourself  
Afraid of the day  
When you have to decide  
To go your own way

On the verge of destruction  
You're cursing the wreckage of your weak heart

Chorus  
So afraid of yourself  
Afraid of the day  
When you have to decide  
To go your own way
