Miss-understanding please take this one down  
I've had enough of words that twist and  
Turn around my head for days  
So tell me why it always changes so  
The one without the answers  
Always seems to turn their back on me

This is the last time  
I will be caught, diggin' myself, further in  
This is the last time  
I will fall down, waitin

Tell me why, things never seem to change  
Everytime they turn around  
And I don't know why you  
You never seem to listen  
Never seem to listen, not to me

"End of the world"  
is all you say again  
"Your draggin me down"  
It's all the rage again  
And you, and you

This is the last time  
This is the last time  
This is the last time  
I will fall down waitin
