Ain't no doubt about it
I'm in love with you
Ain't no doubt about it
You love me, too
Ain't no doubt about it
If our love keeps growing this way,
We'll be okay
We'll have it made in the shade

Boy, if I ever made you cry
Oh baby (oh baby)
I beg your pardon in front of the fellas
(Yes, I would)
I'll run and get a weeping willow
(Yes, I would)
And let it weep for you
(Yes, I would)
I'll put a lucky charm beneath your pillow
There ain't nothing I won't do
Baby, just to prove

That ain't no doubt about it
I'm in love with you
Ain't no doubt about it
You love me, too
Ain't no doubt about it
If our love keeps growing this way,
We'll be okay
We'll have it made in the shade

Girl, if I thought that you weren't satisfied
Oh baby (oh baby)
Then baby, this is what I do
(Yes, I would)
I'll swim down to the ocean floor
(Yes, I would)
To get the biggest pearl in the world
(Yes, I would)
I'll walk across the desert sand
I'll throw a coin over mighty waters
Just to prove I'm a gentleman

(Ain't no doubt about it)
(Ain't no doubt about it)

(We'll be together like Jack and Jill)
When we get older,
Our love goes over the hill, baby
I'll always love you, love you, love you
Baby, I swear
I ain't never, never, never, never
Never going nowhere

Ain't no doubt about it (ain't no doubt about it)
I'm in love with you (I'm in love with you)
Ain't no doubt about it (ain't no doubt about it)
You love me, too (you love me, too)
Ain't no doubt about it (ain't no doubt about it)
I'm in love with you (I'm in love with you)
Ain't no doubt about it (ain't no doubt about it)
You love me, too (you love me, too)
Ain't no doubt about it (ain't no doubt about it)
I'm in love with you (I'm in love with you)
