Whoo!

What makes the other guy get over
When you've been trying for so long?
What makes your enemy run for cover
When you come on, it's too strong?
What moves the mountains, y'all?
Charisma
When you let it all hang out

Charisma
Coming from the heart and soul
Charisma
Makes me wanna rock 'n roll, yeah

A showstopper (yeah), I love to see
I can't get enough (yeah), it just gets to me
Any time (yeah) I feel that charisma
C'mon, c'mon, yeah
C'mon, c'mon
Yeah, whoo

What makes a lady take control now
When others may complain?
What makes them feel it in their soul now
Drive everyone insane?
What makes them getting for?
Charisma
When you let it all hang out

People, I'm talkin', I'm talkin' about
Charisma
Coming from the heart and soul
Charisma
Makes me wanna rock 'n roll

A showstopper (yeah), I love to see
I can't get enough (yeah), it just gets to me
Any time (yeah) I feel that charisma
C'mon, c'mon, yeah
C'mon, c'mon

Yeah, whoo

Tell it all to the world, sing

Charisma

Sing with me now, yeah, whoo

I got to make it now, I got

Charisma, yeah, whoo

C'mon, c'mon, c'mon, don't you feel it?

Sing charisma

Yeah, whoo

What makes a lady take control now?

Charisma, yeah, whoo

Yeaaaaaaahhh, c'mon, c'mon, sing

Charisma, yeah, whoo

I got to, got to, got to, got to make it now, I got

Charisma, yeah, whoo
