Hoo... hoo...

A sweet thing  
You're such a sweet thing  
I call you cotton candy  
You're my cotton candy

I've got a sweet tooth  
That's hard to satisfy  
When I'm short on sugar  
You've got a full supply (Full supply)

Girl, don't be stingy  
Gimme, gimme some  
Girl, I can't live forever  
On a diet of your love

(Cotton candy)  
You are my (Cotton candy)  
Sweeter than apple pie, ooh (Cotton candy)  
You came straight from Mother Nature's oven  
Bringin' me that red hot lovin'

Shooby doo wop  
Shooby doo wop  
Shooby doo wop  
Shooby doo wop shoo bop bop shoo bop

Girl, when I'm near you  
I'm like a honey bee  
You know I want your honey  
But you keep on teasin' me (Don't you tease me, girl)

Girl, don't make me suffer  
I'm starvin' for your love  
You give me just a little  
But woo, it's just not enough (Just not enough), ooh

(Cotton candy)  
I can't get enough, get enough of your (Cotton candy)  
Woo, sweeter than apple pie, baby (Cotton candy)  
All the recipes are good, I know

But next to yours they don't come close

I've tried apples, peaches, pumpkin pie

They're all right

But when I kiss my baby

I lick my fingers, smack my lips

Do you know her I call these things

'Cause she's a sweet

Oh, so sweet

I call you cotton candy

Baby, you're my cotton candy

Sweeter than apple pie, baby (Cotton candy)

I can't get enough, I can't get enough of your sugar

(Cotton candy)

Sweeter than apple pie, woo, baby (Cotton candy)

I can't get enough (Cotton candy)

Of your sweet, sweet, sweet cotton candy
