You have a shining personality
And I love to show you all
'Cause there is nothing like the real thing
You're a luxury I can't give up

Oh, diamonds are rare
I see they compare to the look in your eyes
(That says you're mine, say it one more time)
Diamonds are rare
They seem to compare to the look in your eyes

My only true to life possession, girl
No one has been another like you
I give you price for nothing perfection, girl
And losing you would be the hardest thing to do

Oh, diamonds are rare
I see they compare to the look in your eyes
(That says you're mine, say it one more time)
Diamonds are rare
I see they compare to the look in your eyes

Oh my, my, my baby
Oh, oh
Ooh, ooh, ooh

Oh, diamonds are rare
I see they compare to the look in your eyes
(That says you're mine, say it one more time)
Oh, diamonds are rare
I see they compare to the look
(That says you're mine, say it one more time)
Oh, diamonds are rare
I see they compare to the look in your eyes
(That says you're mine, say it one more time)
Diamonds (are rare) are rare
To the look in your eyes
(That says you're mine, say it one more time)
(Diamonds are rare) diamonds are rare
(That says you're mine, say it one more time)
Diamonds are rare
