They say good times
There won't be no special days
When you move
You do what you want to
People aorund the world
Party hearty on the floor
And they add their own thing when they start moving

(They sway) a little bit of this
(And shake) a little bit of that
(I say) get on the floor
And go for what you know

Free style
Free style
Free style
Free style

Keep it time
To the beat of the music
That's what it's all about
Whatever's on the turntable
Gonna put my own label
Do the moving I got to express

(They sway) a little bit of this
(And shake) a little bit of that
(I say) get on the floor
And go for what you know

Free style
Free style
Free style
Free style

Get on the dance floor
Free style, do what you wanna do
Free style, go for what you know
Free style, whoo, yeah
Free style, let the music take your mind
Free style, whoo, yeah

Free style, do what you wana do
Free style, yeah, yeah
Free style
Free style
Free style

(hand claps)
Free style, free style
Free style, free style
Free style, free style

Free style
Free style
Free style
Free style
Free style
