Telling jokes, getting laughs
But deep inside I frown
Goes out the way, no one needs a clown
But it's fun 'cause I know
I do what I do best
Yet I feel I'm like the rest

Who tell me I could never be myself (be myself)
I have too much, keep my feelings on the shelf
I tell myself no matter what they feel
I know that I can be for real
(ooh ooh ooh ooh ooh ooh ooh ooh)

It's a gift from the heart
To bring out a happy face
And to weep, that's like a warm embrace
Yes, I love what I live, whoo!
Each day seems like a trial
But what is life without a smile

They tell me I could never be myself (be myself)
I have too much, keep my feelings on the shelf
I tell myself no matter what they feel
I know that I can be for real

A funny plans what I have
And what I always will (what I always will)
I have secrets that could some reveal part of me

(Ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)
(Oooh ooh ooh ooh, ooh ooh ooh)

They tell me I could never be myself
I have too much, keep my feelings on the shelf
I tell myself no matter what they feel
I know that I can be for real
I know that I can be for real
(I know that I can be for real, for real, for real)
For real (for real)
For real (for real)

For real (for real)
For... real
