I'm gonna be a spaceman, I'm gonna ride  
across the sky  
I'm gonna be a spaceman, I know I can make it if I  
try  
I'll be traveling past the sun, so if you think  
you'd like to come  
Then climb aboard the love for you and I

I've gotta have a space-love, I wanna see it in the  
sky  
Make all of us a space-love, I know we can make it if we  
try  
Have you tried to ride before, and all alone it took  
much more  
But if we go together we'll get by

I'm gonna be a spaceman, I'm gonna ride  
across the sky  
I'm gonna be a spaceman, I don't wanna stay here  
till I die

I'm gonna be a spaceman, I'm gonna ride  
across the sky  
I've gotta have a space-love, I want see it in the sky  
I'm gonna be a spaceman, I'm gonna ride  
across the sky
